Dear Lynda,

I regret to inform you that I am discharging you from this practice. This action is necessary due to an irreconcilable breach in our physician- patient relationship. You have been repetitively rude, disrespectful, overly demanding and even vulgar to my office staff. This unacceptable behavior can no longer be tolerated.

I will continue to serve as your primary care physician for the next 30 days while you chose a new doctor. Please understand it is imperative that you do so immediately to assure there is no lapse in your medical treatment.

When you have chosen a new physician, please notify my office, and we will forward a copy of your medical records to that physician's office at no charge to you. A form to authorize the release of your medical records is enclosed for your convenience.

Yours Truly,

Kevin A. Sugalski, D.O.
